Define Problem Statements (Customer Problem Statement Template):

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love. A well-articulated customer problem statement allows you and your team to find the ideal solution for your customers' challenges. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

Example:

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A credit card applicant with varying financial and personal details.	Apply for a credit card and receive a quick approval decision.	I am unsure whether my application meets the bank's approval criteria.	The approval process depends on many factors such as income, employment status, credit history, and	Confused and anxious about whether my application will be approved or rejected.

				repayment behavior.
