Team Coordination Notes:

Aspect	Details
Team Leader / Coordinator	(Chennam Surya) coordinated task allocation, meetings, and ensured timely completion of project milestones.
Overall Team Coordination Rating (1-5)	5 / 5
Any issues during demo	Minor delay while loading the Flask application and validating user inputs before prediction.
How issues were resolved	The application was restarted, inputs were verified, and the prediction module was tested again. The demo continued successfully without affecting the overall presentation. This content is appropriate for your Credit Card Approval Prediction SmartBridge documentation.
